

5 Day Bible Reading Program

This special Bible reading system allows you to read the entire New Testament in one year while only reading five times a week. Five readings a week gives room to catch up or take a needed day off, and makes daily Bible reading practical and do-able. Many people have successfully reached their goal of regular Bible reading using this schedule. Further, reading the Bible in chronological order (even the Psalms have been placed chronologically when possible) aids understanding of the Bible story, and helps the reader to look forward to reading God's Word.
